

PONTELAND BOWLING CLUB

JUNE/JULY 2016 NEWSLETTER

Members are reminded that Minutes of GPC Meetings are held in an appropriately identified file in the Club Office.

Development and Recruitment – Our 5 planned taster sessions have now been completed and the GPC approved 5 applications for membership, Ann & Robert Pearson, Wyn Jackson, Norma Kalbraier and Keith Preston. A further 6 applications have since been received and a few more are expected and will be dealt with as the two week approval periods expire. A 'Meet and Greet' session is planned for Saturday 18 June at 10.30am to explain the workings of the Club to the new and recent members. We are sure that all existing members will look after our new members, make them welcome and help them to become involved both socially and in bowling. Thanks to all who helped in the taster sessions both on and off the green. We are always looking for new members so if you know of anyone who is interested let the GPC know and we can arrange introductory sessions.

New Member Contact Details – As new members come into the Club their contact details are added to the Club Handbook as an addendum sheet in front of the address lists.

Website – Keep up to date with news, fixtures and event photographs, Gala Jumbles day photos now available.

Social and Club Events – Our next major event will be the Barbeque on Saturday 25 June, tickets are now on sale from any member of the GPC, or just add your name and ticket requirements to the list on the board in the Clubhouse and tickets will be made available.. We need your support for this one and remember you can bring along non-members.

Competitions File – After being missing for quite some time the file has been found by Allison 'Marples' Storey to the relief of all those who have events to organise. Well done Allison!

Green and Site – Work is progressing in accordance with the summer programme. The GPC are aware that despite explanatory notices on the 'Greens' notice board there is still a great deal of confusion and misunderstanding in following the booking and rotational instructions for use of the green. At its next meeting the GPC will have a further look at the guidelines and see how the situation can be improved.

Open Competitions – Reminder that all 'Open competition' notices from other clubs are in a single folder which hangs on the main mixed noticeboard.

Next GPC Meeting – Monday 18 July 2016 at 9.00am in the Clubhouse.
