

PONTELAND BOWLING CLUB NEWSLETTER – July 2021

Dear Friends,

We hope you are all well and enjoying playing Bowls in the current sunny weather.

As you will know, the Government has now confirmed that current lockdown restrictions will end with effect from Monday 19th July, and accordingly we will be reopening the Clubhouse fully with effect from next week. This involves all areas, including the kitchen area.

Boris tells us that this is now the time of “personal responsibility”, so please bear in mind that some members may choose to go back to “normal” immediately, and others may wish to maintain mask wearing and personal distancing for the time being. Please bear this in mind in your interactions with other members, and respect those who may want to take a more cautious approach.

From next week, all Club notices, rink booking sheets, etc will be back in the normal place in the Clubhouse, and all Mats, Jack's, etc will be back in the Bowls Equipment Shed. A key for this shed will be in the normal place in the Clubhouse, next to the patio doors.

We are now actively planning to bring back some social events in the Summer, and further details will be posted in the Clubhouse shortly. For the moment we suggest that you “save the dates” of Saturday 7th and 28th August, when we intend to tag on some social activities to both the Saturday Rollup and the Joint Finals Day.

We hope you will all agree that both the Green and surrounding areas are looking at their very best at this time of year, so please take advantage of the current fine weather, and enjoy your bowling!

With Very Best Wishes,

Your Committee
