

## September Newsletter 2023

Hi all,

I cannot believe the season over; part of me is still waiting for the summer to start. Yesterday saw our Closing Day competition, big thanks to Peter and Marilyn for organising this. And

congratulations to the runners up, Val, Susan, David, and Billy and to the winners on the day Ian, Linda, and Val. I have not included any photos of the Club trophy winners here as I have a separate doc that will be sent out soon. I am just waiting for the photos of a couple of winners to complete it. It will be sent out as a PDF doc to cut down the size, but if anyone wants any of the photographs let me know and I will send them to you separately.

Huge thanks to everyone that attended the AGM and contributed to the discussions. This is a process we need to go through, and I know some members do not find it easy to work through this process and make any necessary changes. I would also like to thank everyone who has volunteered to serve on the various committees in a variety of roles. We have many newer members taking up positions within the club for the first time, which is both helpful and reassuring.

If we have any members who have sadly played their last season on grass, it would be very much appreciated if they could clear their locker and pass the key back to Graham Lord or Carolyn Burbeck before the start of next season, so another member can use it.

We now finally have the Public Utilities league Table showing the final positions of our two teams. In addition, the NELBL table is also attached as I managed to miss this off the last newsletter. Congratulations to everyone who played in these teams and represented the Club.
